Bringing high quality cardiac testing to  
Rural and Remote Australia

[www.countryecho.com.au](http://www.countryecho.com.au)

TEST	DURATION	PREPARATION
ECG	10-15 Mins	Clear dry skin. NO powder or creams.
ECHOCARDIOGRAM	30-45 Min	No preparation required. The test requires access to the front of the chest and ribs. Females will be asked to put on a gown and remove their 'bra' and other garments from the waist up.
Other Tests		No preparation, unless advised.

## WHAT TO BRING

New Patients	Please post/fax your referral and patient information form prior to your appointment. Please ask your referring Doctor to do this.
Review Patients	Please bring any relevant reports of other cardiac tests or investigations.
All Patients	Please bring all relevant test results with you (includes recent blood, CT/MRI and cardiac tests)

## PAYMENT OF CONSULTATIONS

Country Echo Services Pty Ltd is not a bulk bill practice.

Payment is required in full at the time of the consultation.

Cash | Eftpos | Credit Card | Cheque accepted

Government issued Pensioner Card holders will pay a reduced fee

In patient hospital Echocardiograms will be arranged on request
